

6TH CHAIRMAN'S CUP CRICKET TOURNAMENT - 2010

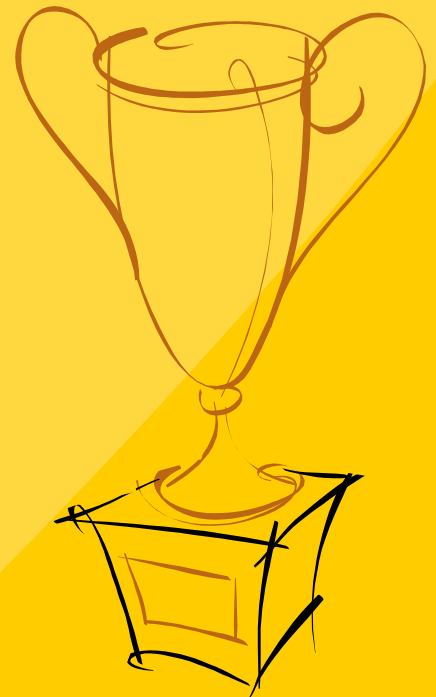

Weekly Bulletin

HEADLINES

QAFAC crush Contracts, QP IT excels, RLC beat Refinery, QP DT smother QP Offshore, QVC disappoints, AMWAJ bind Qatargas, QP Gas Operations overrun Occidental Petroleum and Dukhan Operations overhaul QP MIC

As far as team performances are concerned, the Dukhan Community team was lost to meet the challenge of the left / right opening combination of the QP IT batsmen and allowed the team to score 126 with Abdul Khaji making 34. But the Community team came back strongly in the next match against QVC to dismiss them for 70. The golden ball wicket of the QVC skipper, Murthy, was a setback from which the QVC team could not recover. After some huffing and puffing the Community team over took their opponents score in the 15th over. In their match against QAFAC, QP contracts could only muster 35 against QAFAC's 114. Refinery on the other hand made just 45 against QP RLC's 96. QP Ofshore's 49 was no big deal for QP DT who surpassed it in 6.4 overs with Mahesh Warren making 32. Qatargas bowled and fielded excellently to restrict the young guns AMWAJ to a total of 79 with Anwar Khan making 38 unconquered. But the Qatargas batsmen could not measure up to the strong bowling and excellent fielding of AMWAJ who restricted them to 31 in 9.5 overs. QP Gas Operations, with a 45 from opener Saravana built a huge total of 132 which OXY could not match, and ended at 36. Dukhan Operations ended the week with another one-sided affair to overcome in 9.2 overs the MIC total of 55.

Dust hung in the air over the weekend but not much of wind which is why there was a dearth of sixes. Only Irfan Sheik of Gas Operations hit 3 sixes in one over. The next week should see some teams contesting for the quarter final berth. Lets see how the wind blows !
