CODE OF CONDUCT**

Code of Conduct for Spectators

Spectators have great influence on the players' enjoyment and success in Cricket. All people play Cricket because they first and foremost love the game - its fun.

It is important to remember that, however good a player becomes at Cricket within this or any other club, positive encouragement will contribute to:-

- Players enjoying the game.
- A sense of personal achievement.
- Increased self-esteem.
- Improving the player's skills and techniques.

Spectator's expectations and attitudes have a significant bearing on the player's attitude towards:-

- Other players.
- Officials.
- Managers.
- Spectators.

We must ensure the Parents/Spectators within Dukhan are always positive and encouraging towards all of the children and not just their own.

As Spectators we should all:-

- Applaud the opposition as well as our own team.
- Avoid coaching the player during the game.
- Not shout and scream
- Respect the Umpire's decision.
- Give attention to each of the player's involved in Cricket and not just the most talented.
- Give encouragement to everyone to participate in Cricket.
- Adhere to the Tournament's Code of Conduct
